Our Next General Meeting will be held on Tuesday, January 12th at 7:00 PM

High Intensity Focused Ultrasound - 'HIFU'

By Dr. Edward Woods, FRCPC, Urologist, Scarborough General Hospital.

'HIFU', a relatively new treatment (in Canada) was first presented to us at our Oct 2005 meeting. Now in this session Dr. Edward Woods will discuss HIFU further, its development over the years and its future.

Dr. Edward Woods is a Toronto Urologist on staff at Scarborough General Hospital since 1988. He holds certification as a Fellow of the Royal College of Physicians of Canada.

Dr. Woods has a specific interest in new technologies in urology, including the use of lasers and minimally invasive bladder techniques and surgery. He is also actively involved in clinical research in benign prostatic hypertrophy and prostate cancer.

Rest assured of a very interesting and informative evening as Dr. Woods brings us all abreast of 'HIFU'.

Please send your questions for Dr. Woods to: questions@ustoo-brampton.com

We look forward to seeing you in Room #2, The Terry Miller Recreation Center,
1295 Williams Parkway, at the southwest corner of Williams Parkway & Bramalea Road.

Parking as always is free.

Last Meeting – Tuesday, December 8th, 2009

Our Christmas Pot Luck Social

Over 30 members, wives and guests enjoyed our delightful Christmas Pot Luck and year-end social event. Members and guests enjoyed a sumptuous meal to the accompaniment of a mix of videos and Xmas music from the 30's - 40's and 50's era.

The evening included a fund raising charity raffle.
The annual favorite top prize, as usual, was the Afghan!

With more prizes than members this evening, everyone went home with one!
The Raffle is not only a worthwhile cause it always adds an interesting and exciting closure to the event.

This was one very delightful evening!
Our thanks to all those who contributed prizes!

A picture gallery of the event is available on our web-site: www.ustoo-brampton.com

Our Santa Claus Parade Float

Our float promoting Us TOO Brampton, our own Cruisin' for a Cure and the Prostate Extreme Team's Snowmobile Tour of Hope won an Honourable Mention at the Brampton Board of Trade's Santa Claus Parade on November 21, apparently taking third place. Pretty impressive for our first effort. We were also asked to display the float at the Winter Lights display at Chinguacousy on December 2 from 6 to 9pm.

Thanks go out to all those who supported the effort and especially those who did so much:

Sean O'Neill for pushing us to enter and for being our contact with the City of Brampton.

Steve Hutton of Prostate Extreme Team for sharing the cost and for arranging for the very special snowmobile that appeared on the float.

Bill Stellings of BramCity Transmission & Automotive for providing his Special Events van as the tow vehicle, for obtaining a hay wagon from Stewart's Farm Equipment, for providing staff & decorations and for being one of our best supporters.

Bill's fiancée, Kris, who shopped for decorations, came up with the beautiful blue ribbon bows that decorated the two Christmas trees on the float and fed the crew.

Kris's brother Gary who put in a lot of effort on our behalf.

Bill Robbins of J & W Alignment for providing his gorgeous yellow 1931 Model A roadster that appeared on the float.

Ryan Vollick of Vollick's Custom Sleds for bringing his special snowmobile all the way from Orillia to appear on our float.

Lorne & Wendy Bland of JST Printing in Orangeville who helped so much with the decorating ideas.

All of the folks above plus our own Denis Paris, Gary Foote and Morris Rambout who put so much work into the initial assembly of the float and / or the reassembly for its second appearance at Winter Lights.

My job was so easy on this one - I signed a cheque and strung a few lights! And the results were fantastic, probably the most publicity we've ever garnered for such a small investment.

3rd Annual Cruisin' for a Cure Status Report

After reviewing the summary of the 298 PSA tests administered on September 13, we can announce that 47 men have been advised to seek further diagnosis.

We contributed \$2,500 to awareness programs at Wellspring Chinguacousy. As usual, the event was subsidized substantially by Us TOO Brampton, but the Steering Committee believes that the investment was well worthwhile.

Next year's show is planned for Sunday, September 12. Planning is already underway. Artwork has been created by Debbie Baker's team at Cruisin' for a Cure in Costa Mesa, CA and will again be adapted for our purposes.

Please put your minds to ideas for sponsors, media contacts, exhibitors, vendors and other additions to the event. We want to continue to improve the content of the day to attract more spectators and to increase its impact of public awareness of Prostate Cancer.

By the way: If you happen to know somebody who ordered one of our spectacular T-shirts at the show and hasn't received them yet, please have them call me to arrange pickup. We got back from California with the shirts in mid-October and then had to leave the country again due to the death of Sandi's Dad in Oregon.

Financial Matters

2009 was a good year for the group.

Financially, we finished the year with about the same bank balance that we started with. Our expenses were somewhat higher but with money raised at our annual Golf Tournament, Cruisin' for a Cure 2009 donations and generous donations from Gentlemen's Choice and Brian Knowles, not to mention those of our general membership, the year went off quite well.

Over and above our usual efforts we donated \$2500. to Wellspring Chinguacousy on behalf of UsToo Brampton and Cruisin' For A Cure.

We made a first time appearance in the Brampton Santa Claus Parade together with the Prostate Extreme Team and that garnered us lots of publicity and media attention.

All in all a good year in spite of the economy. Let's hope 2010 is even better.

CALL FOR VOUNTEERS

As always we are in need of volunteers. We need people to serve on calling committees and to attend and contribute to our monthly Steering Committee Meetings held this month on Wed, Jan 27th at 7:00 PM, upstairs at Fortinos on Bovaird Drive just west of Chinguacousy Rd. If you can commit even a few hours a month please speak to us at the next General Meeting or come out to our next Steering Committee Meeting. You will be more than welcomed and have a chance to further our goal of promoting Prostate Cancer Awareness and Research.

RECENTLY DIAGNOSED? - Contact Us Too! Brampton

If you have been recently diagnosed with prostate cancer and would like to talk to someone who has been there, please call ahead and we will arrange to meet you at a convenient time and place. Alternatively, come early to one of our monthly meetings and inform the front desk of your arrival. One of our counselors will welcome you and listen to your concerns. Our monthly meetings are held on the 2nd TUESDAY of each month except July & August but we accept calls all through the year. Family members or friends and supporters are welcome! We have been there and we think we can help you deal with this very difficult period in your life. If you would like our support, please call any one of the following to arrange a meeting:

John Sleath, Awareness Coordinator, 905-456-9943, or john.sleath@ustoo-brampton.com

Sean Butterly, Counseling Associate, 905-454-4237

Regular mail costs us almost a dollar per person per month.
